INTRODUCTION TO PKUHSC

Established in 1912 as the first national school of western medicine through the own efforts of the Chinese government, Peking University Health Science Center (PKUHSC) is the most prestigious comprehensive medical institution in China.

Current Structure of Peking University (PKU)

■ Faculty of Sciences	■ Health Science Center
■ Faculty of Information & Engineering	■ Faculty of Economics & Management
■ Faculty of Humanities	■ Interdisciplinary
■ Faculty of Social Sciences	■ Shenzhen Graduate School

PKUHSC's Affiliated Schools

■ Peking University First Hospital	■ Peking University School of Stomatology
■ Peking University People's Hospital	■ Peking University Cancer Hospital
■ Peking University Third Hospital	■ Peking University Sixth Hospital

Peking University People's Hospital (PKUPH)

1. **Profound History:** Established in 1918, PKUPH is the first general hospital financed and founded by Chinese nationals, representing the development of Western Medicine within the country.
2. **Leading Medical Care:** Demonstrating outstanding performance in 40+ clinical departments (<https://english.pkuph.cn/care/departments.html>), PKUPH received 3,378,525 outpatient visits in the year of 2023.
3. **Academic Excellence:** Affiliated with Peking University, PKUPH excels in medical research, boasting 4 academicians in 3 specialties: Hematology, Thoracic Surgery, and Trauma Medicine. (Academician is a top honor and title granted only to the nation's top scientists and engineers in China.)
4. **Convenient Location:** Centrally situated in Beijing, the capital of China, PKUPH is easily accessible for patients and healthcare professionals alike.

5. Top Educational Resources: As a teaching hospital for Peking University Health Science Center, PKUPH offers access to premier educational and research resources to all our faculty, staff, and students including you!

Medical Student Clerkships in PKUPH

Eligibility and Requirements

- Must be an enrolled medical student, preferably with 3 years of medical education.
- Must be in good academic standing at your medical school.
- Clearly define your learning objectives. Admission priority will be given to those in clinical clerkships.
- Communicate proficiently in English or Mandarin Chinese.
- Possess a basic understanding of Chinese culture and resilience to culture shock.
- Must comply with laws and regulations in China during the visit.

Checklist of Application Documents

Please submit the following documents when applying our clerkship program:

- Curriculum Vitae
- Student Clerkship Application Form
- Transcript or a Letter Confirming Good Academic Standing (waived if applying through a clinical department within PKUPH)
- 1 Letter of Recommendation from Your Institute (preferred but not a must)

The following documents should be submitted before your clerkship at PKUPH:

- Proof of Clean Criminal Record
 - *Please note that if you have difficulty obtaining the proof, you may alternatively sign the *Criminal Record Declaration* provided by PKUPH.
- Photocopy of the Passport/ID Card Photo Page
- Agreement for Student Clerkships at Peking University People's Hospital
 - *Please note that this agreement will be signed by three parties: you, your university and PKUPH.
- Proof of Medical/Accident/Travel insurance (preferred but not a must)
 - *Please ensure that you have valid personal insurance. If accidental injuries occurred during the clerkship, PKUPH shall not be held liable to pay compensation for the injuries caused.
- Immunization Proof (preferred but not a must)

Please direct your questions and submit the above documents to pkuphiao@163.com.
